

Errahel Nazih

Irkutsk, Russia | erraheln@ex.istu.edu | +7 [999] 686-47-49 |

Portfolio: <https://naziherrahel.github.io/portfolio/>

WORK EXPERIENCE

Senior lecturer | Irkutsk National Research Technical University
Sep 2024 – until now

Programmer | Irkutsk National Research Technical University
February 2024 – September 2024

- Developed real-time object detection systems.
- Integrated modern data management tools.
- Applied advanced technologies to solve real-world challenges.

Solar Snow Light, Irkutsk – Summer Internship
August 2022 – September 2022

Designed database models, developed services with Flask, and performed web scraping for an AI-based geo-organizer application.

EDUCATION

Irkutsk National Research Technical University, Irkutsk
Master's in Information Technologies, Networks, and Big Data
Expected Graduation: June 2026

Bachelor's in Artificial Intelligence and Data Science
Graduated: June 2024

CERTIFICATIONS

- Certificate for 1st place at the IV International Scientific and Practical Conference for Young Scientists and Students in the Computer Science and AI Section.
- Winner's Certificate for Outstanding Results at the International Academic Olympiad in Big Data Analytics and Artificial Intelligence.
- TensorFlow Developer Certificate.

PUBLICATIONS

1. Real-Time Monitoring of IP Camera Video Stream Quality for Detecting Explosive Dust

Full Title: "Real-Time Monitoring of the Video Stream Quality of IP Cameras Used to Detect Explosive Dust in Industrial Enterprises" Conference: Current Trends in Multidisciplinary Research, 2024

2. Monitoring IP Cameras in Industrial Environments Using YOLO and Image Quality Metrics

Conference: Current Trends in Multidisciplinary Research, 2024

SKILLS

Programming Languages:

Python, JavaScript, SQL, HTML/CSS

AI & ML: AI algorithm deployment, data analysis with Pandas, Seaborn, Matplotlib, Plotly

Computer Vision: Neural networks, YOLO, PyTorch, OpenCV, data labeling

Data Management:

PostgreSQL, MLflow, DVC, DagsHub

DevOps: CI/CD пайплайны

LANGUAGES

Arabic: Native

English: Fluent

Russian: Proficient

French: Conversational
